Resorts at Minehead, Bognor Regis and Skegness

Hi there!

When our three Family Entertainment Resorts re-opened in April, I overheard a couple of guests chatting inside the fabulous new Skyline Pavilion at Skegness. They gazed up with a mixture of awe and astonishment at the sheer scale of this wonderful weatherproof structure and one of them said, "All these changes that have been made to create the new Butlins – it's incredible".

She was absolutely right, of course. Thanks to a massive financial investment during the past two years, there have been many new developments – most notably the creation of the Skyline Pavilions that now allow us to offer you weather protected breaks all year round.

Another significant change came about after my appearance in the BBC2 series *Back to the Floor*, which featured a number of managing directors discovering what life is truly like among their staff. My episode was filmed at Minehead where I spent an eye-opening week as a Redcoat. In fact, I found the whole exercise so rewarding, that all our executives are now required to go 'back to the floor' too. This fits in with our policy of listening to our guests' comments through surveys and other research, and using this feedback to constantly maintain and improve upon our high service standards.

As you'll see from the familiar logos featured here, we have also joined forces with some prestigious partners to add even more value to the superb quality of your short break experience.

Naturally, we would be delighted to welcome you and your family to one of our Family Entertainment Resorts, so you can see it all for yourselves. The specially trained Resort teams are totally committed to ensuring that your stay with us will be as worry-free as possible. And, to reassure you that new Butlins offers 'family friendly' breaks, I would like to point out that we no longer accept parties of young single adults.

Enjoy the brochure... I hope it will be the start of an amazing entertainment break for you and your family.

Skyline Pavilion

Everything under the Skyline...

The reaction is incredible. We've seen it many times since our Family Entertainment Resorts opened in the spring. Looks of astonishment usually break out on the faces of our guests when they first witness the sheer scale of the new **Skyline Pavilion**.

When they go inside to explore, that astonishment grows and big smiles break out as they find themselves in a wonderland packed full of fun and fantasy.

The beauty of this fantastic venue is that, no matter what the weather is doing, we are able to bring you a whole array of entertainment from morning 'til night. And what great entertainment it is...

The children's faces will light up when the sensational Cirque de Masquerade begins to thread its way through the Pavilion. This charming cavalcade of delightful characters is orchestrated by a master of illusion known as The Conjuror. He will introduce you to The Storyteller and Wordy The Worm. You'll also meet The Puppet Master in his Puppet Castle where he presents regular shows to his enchanted young audience. These great characters will be joined by acrobats, jugglers, unicyclists, musicians and dancers – all adding to the carnival atmosphere of the spectacular weatherproof Skyline Pavilion.

**Jim's got some
great characters
waiting in the wings...**

Our pantomime season begins at Centre Stage during our Christmas Breaks from 3 December 1999 and continues until 10 February 2000. We are delighted to announce that we have teamed up with Britain's top family TV personality, Jim Davidson, to add his expert production knowledge to each show.

As Jim says, "Pantomimes often provide a child's first introduction to the world of the theatre. It is my mission to present a magical experience at Butlins that young guests, their parents and grandparents will remember forever".

These spectacular productions will combine traditional themes with children's favourite TV characters creating a whole new concept in pantomime.

And after the performance, you'll be invited to join the pantomime cast in the magical setting of the Skyline Pavilion.

Aladdin featuring THE NINJA TURTLES

Centre Stage at Minehead proudly presents this incredible show. Widow Twankey's Chinese laundry is the starting place for the journey of a lifetime.

The magic lamp, flying carpets, genies, dragons – and the Ninja Turtles – all feature in this wonderful story, in which you'll witness Aladdin's efforts to foil

Cinderella

featuring
The Power Rangers Turbo

Taking the spotlight at Bognor Regis is possibly the most popular pantomime subject of them all. Cinderella combines romance with comedy and spectacle as our beautiful belle makes her famous journey from rags to riches.

All the other well-loved characters – Buttons, Prince Charming, the Fairy Godmother, Baron Hard-up and his facially-challenged daughters – are joined on stage for the first time ever by those totally awesome TV Super Heroes, the Power Rangers Turbo!

Dick Whittington

featuring Eek! the Cat

Centre Stage at Skegness brings you the tale of a young man falsely accused of the theft and cast out into the world. Together with his furry friend – played to perfection by none other than TV's Eek! the Cat – Dick sets out to seek his fortune in London, where he's heard the streets are paved with gold. There he falls in love with Alice Fitzwarren, the one person who believes in his innocence. This wondrous story is entwined with laughter, drama and spectacle. You'll love the thrilling sea voyage, orchestrated by the evil King Rat and building up to a spectacular shipwreck and an amazing underwater sequence.

It's Christmas!

Our festive season starts on 3 December 1999, when each Butlins Family Entertainment Resort will be decked with sensational illuminations, dazzling decorations and a gigantic Christmas Tree.

In the Skyline Pavilion you'll witness the Cirque de Noël, a glittering spectacle bringing the world of pantomime to life with a vivid array of sparkling characters in stunning costumes. There'll also be carol singers and festive street theatre. And, of course, Santa Claus will be in his Grotto, so your little ones can meet the most famous Redcoat of them all!

Forever young!

We pride ourselves on providing superb breaks for guests of all ages, all year round. And in spring 2000 we are offering something special for those who enjoy great music from the past.

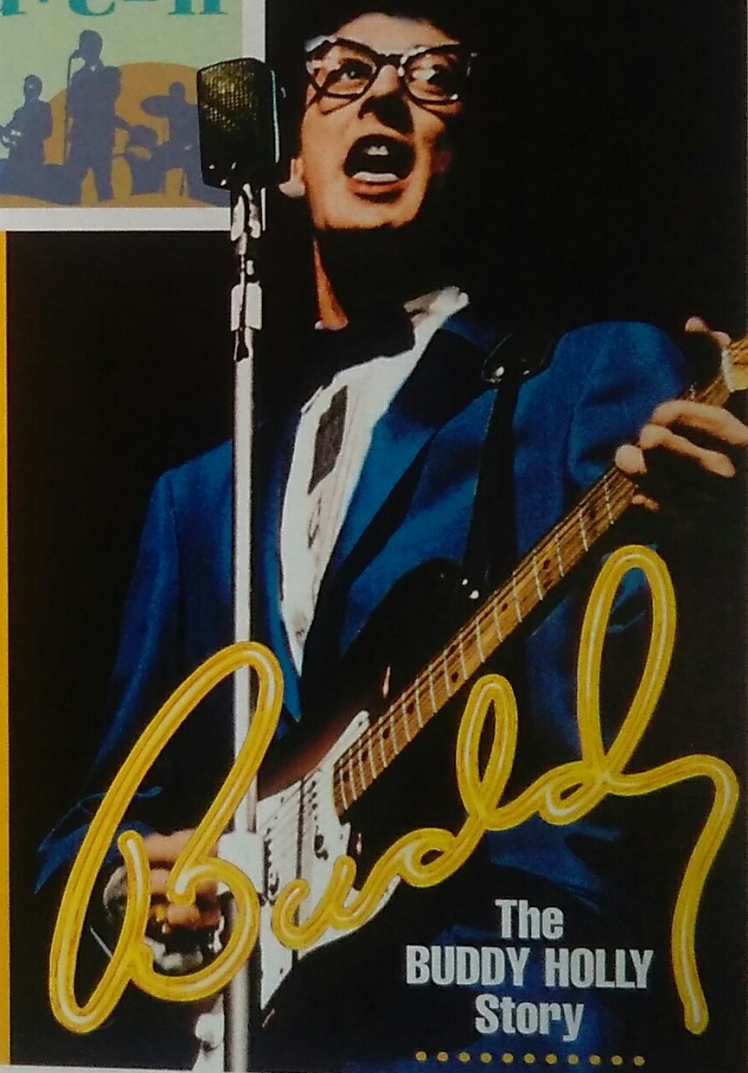

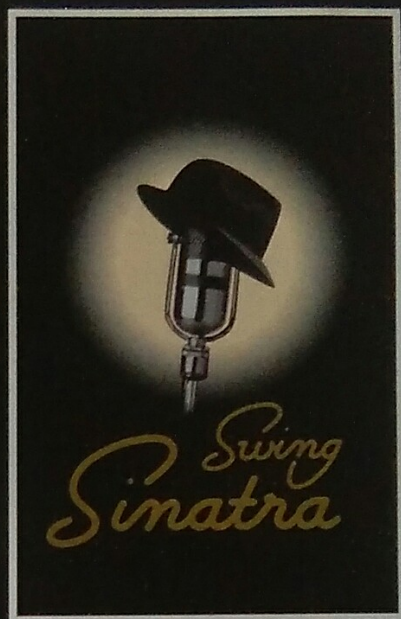

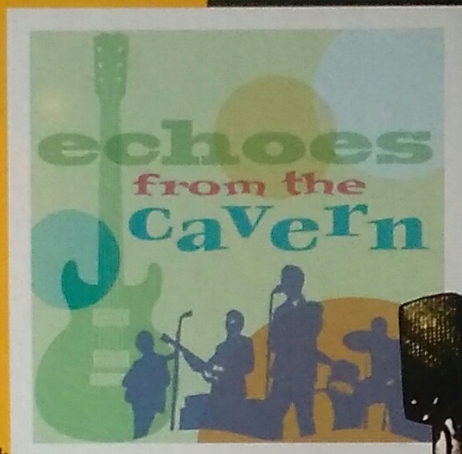

Topping the bill on midweek breaks between 28 February and 10 April, is *Buddy*, the smash hit musical direct from the West End. Telling the story of one of the most legendary and influential figures in rock history, this incredible show features many of Buddy Holly's greatest hits including, 'Peggy Sue', 'That'll Be The Day', 'Oh, Boy', 'Raining In My Heart' and 'It Doesn't Matter Anymore'. And, in the words of the great man himself, we know your memories of this great show certainly won't fade away!

They say you had to be there to know what the Swinging Sixties were all about. Now you can relive those carefree days with *Echoes from the Cavern*, a tribute to The Beatles and many other maestros of the Mersey Sound, such as Cilla Black, Gerry Marsden and Billy J. Kramer. The hits of other 60s icons are also recalled in this fab and groovy show, including Dusty Springfield, Lulu, Sandy Shaw and many, many more.

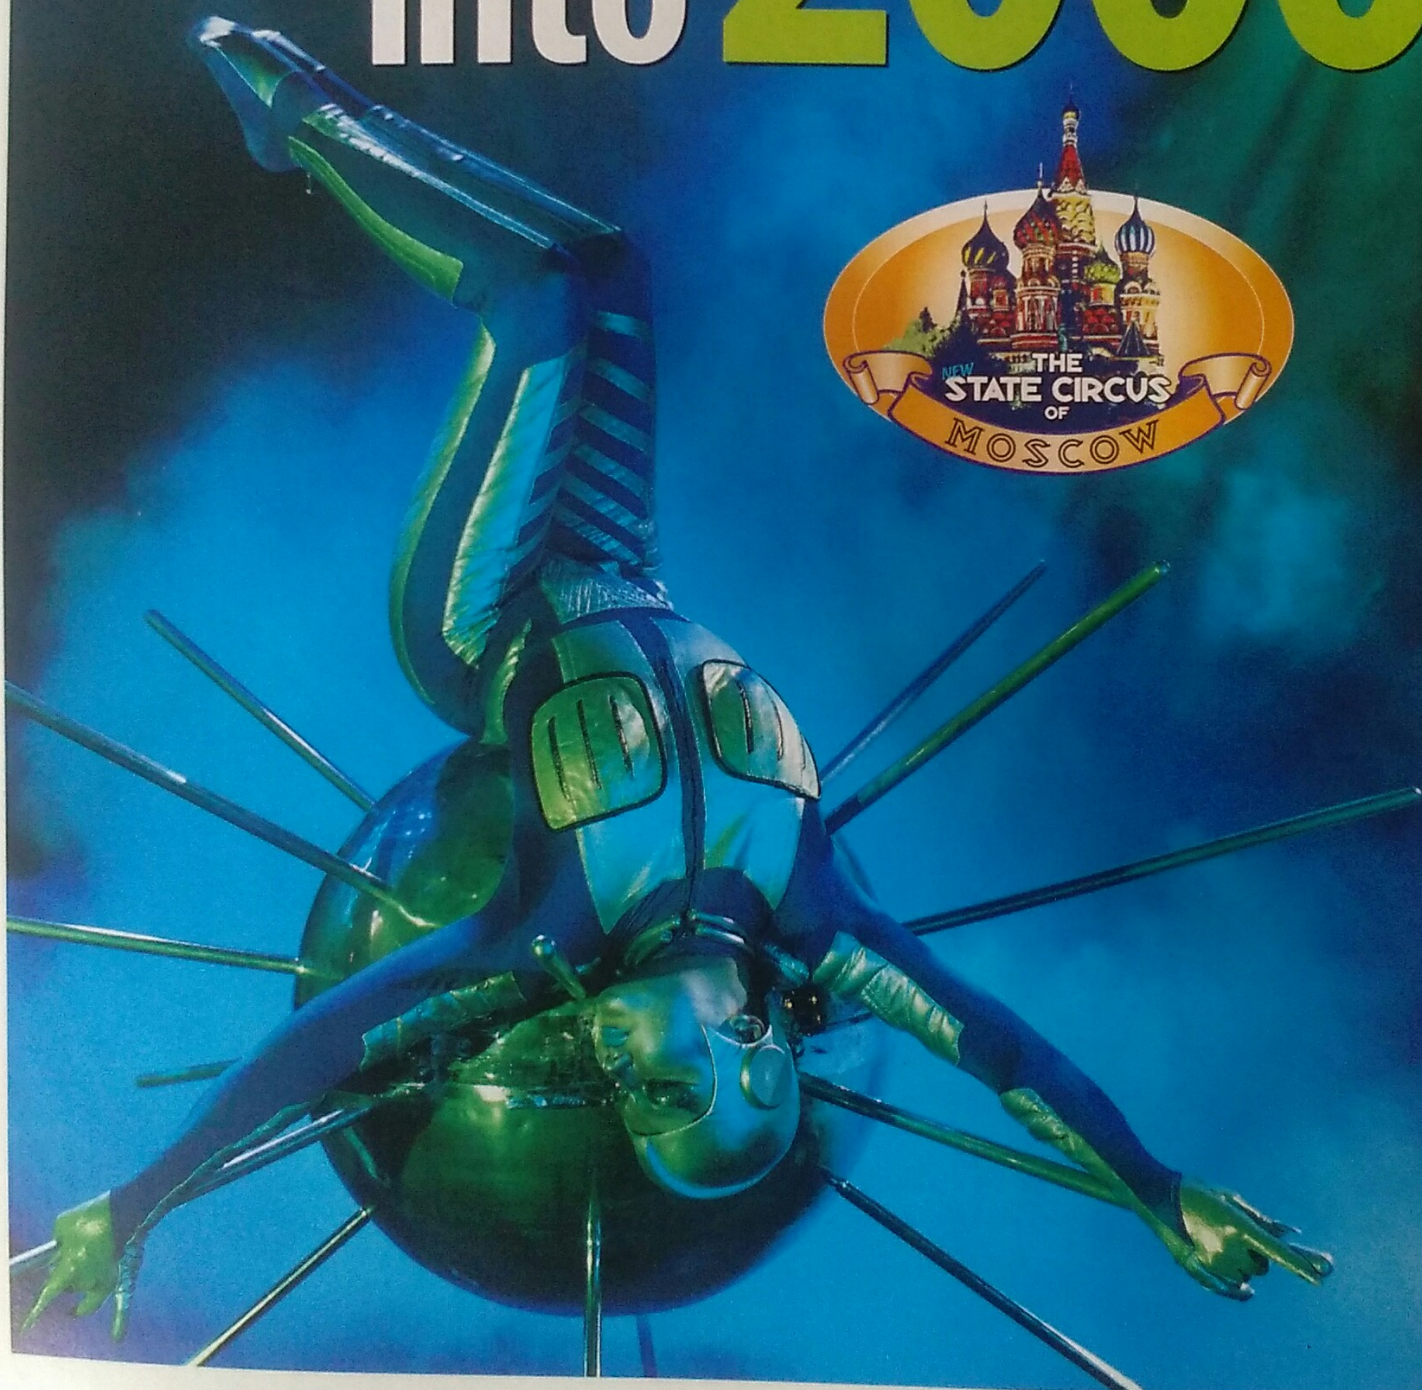

Swing Sinatra, featuring the Big Band sound of the superb Swing Sinatra Orchestra, tells the life story of Ol' Blue Eyes through his marvellous music. From his humble beginnings with the Hoboken Four to his escapades with the 'Rat Pack' in Las Vegas, right up to his sensational concerts at London's Royal Albert Hall, he definitely did it his way. Frankly speaking, we just know you'll come out with a 'doo-bee-doo-bee-doo' playing on your lips.

And don't miss our superb late night cabaret and a great line-up of visiting artistes.

Please note: Stars Children's Club will not be available during these breaks.

Spring into 2000

The circus comes to Centre Stage... all the way from Moscow!

On 18 February 2000 we proudly welcome the incredible *New State Circus of Moscow* to our Family Entertainment Resorts for the February half term and weekend breaks until 10 April 2000. Directed by the internationally renowned Alexandre Grimallo, this troupe of contemporary, avant-garde performers will turn your Centre Stage into the most stunning circus arena in Europe.

You and your family will love this unique display of acrobatic skills, incredible illusions and fantastic feats...ranging from the mind-bogglingly bizarre to the daringly dramatic. *The New State Circus of Moscow* really is the circus experience for the 21st century.

One...Two... Three...

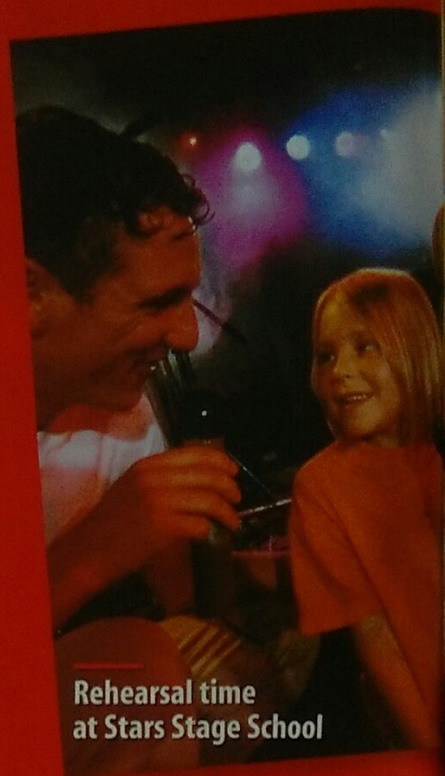

All kids are different – and our Stars Children's Club takes this into account with three exciting activity themes...

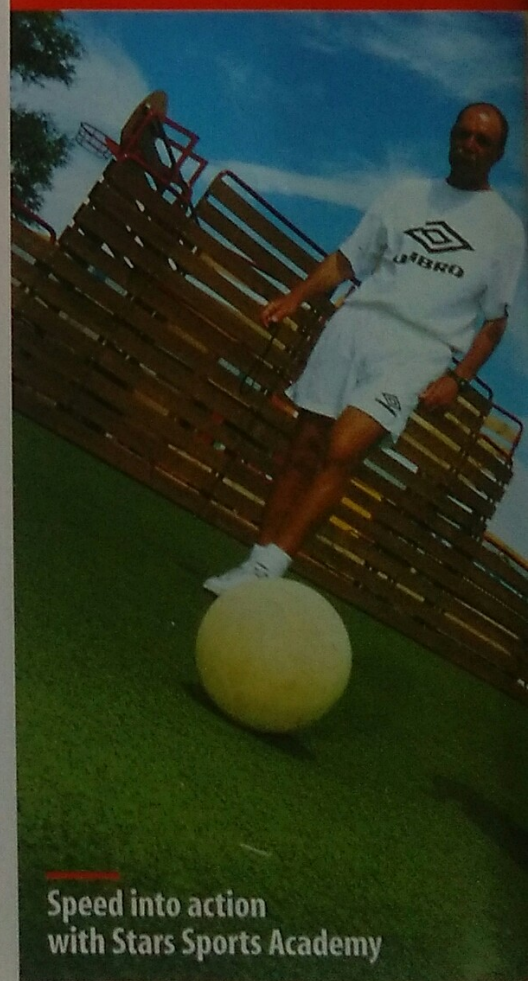

For artistic children who love drawing, painting and model making there's **Stars Arts & Crafts**. Sponsored by Smarties, our light, bright and fully equipped studios are supervised by experts and provide a stimulating atmosphere of fun in which to get creative. In a special finale towards the end of their break, Arts & Crafts members will display the colourful masks they have created.

Stars Stage School is for budding performers. Stage struck kids will get the chance to prepare a special performance on the theme of the main show presented in Centre Stage at your Resort.

For children who prefer to be out in the open air with a ball at their feet or in their hands, we have **Stars Sports Academy**. Fully qualified coaches take youngsters through their paces on the soccer pitch or on the basketball court.

Younger children

Peace of mind for mum and dad...

Calling all mums and dads with young children... a Butlins break won't drive you potty! In fact, we have come up with a great formula to help you and your children enjoy yourselves to the full.

The little ones will chuckle with delight when they meet Noddy and his **Toyland** friends. Along with Big-Ears, Mr Plod and Tessie Bear, the little fellow with the bell on his hat will present regular daily shows in the Toy Town Theatre. The enchanting Toyland setting also has a smashing play area where kiddies can ride to their heart's content on Noddy's car and Tessie Bear's Teacups, or perhaps take an exciting 'flight' on board the little aeroplanes at the Toy Town Airport. For real Noddy lovers, we even have Noddy themed Toyland accommodation (see page 40).

Splash waterworld boasts a shallow play area where you can keep a watchful eye as your kiddies enjoy a really splashing time.

...tons of fun for children

The **Fox Kids** indoor play area provides a bright, safe and soft environment where younger children can enjoy plenty of boisterous fun. Height restrictions and time limits do apply on this facility.

If you feel like a spending some time alone during the day, you can book the children in for a free session in our **Young Stars** nursery. Children aged 5 years and under will love the safe playrooms which are supervised by qualified nursery nurses. Sessions are subject to availability to comply with social services legislation.

In the evening there is a Night Owl service in the nursery for sleeping babies aged between 6 weeks and 9 months. Parents are given a pager so they can be contacted quickly if necessary. There is an additional charge for this service. Before children can be left in the nursery you will need to complete a registration form on which we ask you to provide contact details of your child's doctor. Also for an additional charge and subject to availability, an evening baby-sitting service is available in your accommodation.

We have also teamed up with Mothercare, so you can buy nappies and toiletries during your break, eliminating the need to pack so many of these essential items.

Activities – free of charge

Free family activities ...all year round

A break wouldn't be complete if you didn't put on your swim wear and take the plunge. And at our Family Entertainment Resorts you can do just that – at any time of the year – in our indoor sub-tropical **Splash** waterworld.

You'll experience exciting water rides such as the scary Space Bowl. Once you drop, you just won't stop – until that final dramatic splashdown... And the gravity-defying Master Blaster is pretty awesome, too, as it propels your duo-raft on a truly terrifying camel back ride from start to finish. For safety reasons, height restrictions do apply on our water rides.

There are also flumes, waterfalls, whirlpools, water cannons, bubble seats, spas and a superb wave pool. And, after all that you can get your breath back in the beach area!

Climbing to the top

Children will go wild in the **Fox Kids** 'Rumble in the Jungle' outdoor adventure play area. With three themes – Donkey Kong Country, The Adventures of Mowgli and Ninja Turtles – this energy sapping complex is crammed with things to climb upon, things to swing from, things to slide down and things to bang and bash. 'Rumble in the Jungle' sessions are timed, so that all children can have the opportunity to enjoy this great activity.

And, at each Family Entertainment Resort you'll find a **funfair** with lots of exciting rides. These are not of the 'white knuckle' variety, but provide a more traditional experience – and you can go on them as many times as you like!

Our **multi sports court** offers opportunities for energetic types to indulge in soccer, basketball or volleyball. You can go for a hole-in-one as you polish up your putting on the **crazy golf** course, or test your arm on the championship length bowling green. All of the wonderful activities featured on these two pages are included in the price of your break. Please note: they may be closed during poor weather conditions and the funfair is not available on or between 5 November 1999 and 10 April 2000 inclusive. Parents remain responsible for their children at all times during the break. Height restrictions do apply on 'Rumble in the Jungle' and on funfair rides.

Two great choices – half board or self-catering

You can tailor your Butlins break to suit your needs. If you would like to take a break from the kitchen, then why not select half board. If you prefer to look after yourselves, then choose our self-catering option

Half board accommodation includes tea and coffee making facilities, bed linen, pillows and duvets and a colour TV – plus a full English breakfast and three course evening meal.

Half board guests will dine in the mornings and evenings at one of two newly refurbished restaurants. Coral Beach is designed on a deep sea theme – Ocean Drive has an elegant New England ambience.

The menu featured on this page is an example of the kinds of meals served in Ocean Drive and Coral Beach.

Self-catering accommodation includes a kitchenette with cooker and refrigerator, cooking utensils, cutlery and crockery, bed linen, pillows and duvets and a colour TV. Groceries and other essentials can be purchased at the conveniently situated Everydays supermarket.

You'll find us very accommodating

and save 10%
on 1999 prices

The Butlins back-room team is presently preparing a fantastic programme of entertainment and activities for summer 2000. It's all very 'hush, hush' and under wraps at the moment, but those who are hard at work on the project are all very excited about it.

Of course, our next brochure to be published in October 1999 will reveal all the secrets in store for summer 2000. But, right now, we're offering you and your family the opportunity to book in advance – and receive a 10% discount on this year's prices. Please refer to the grid opposite for details.

We just know that the first summer of the new century will be a truly memorable one at our Family Entertainment Resorts. So, why not look ahead and book ahead!

During the next three years Butlins will organise a number of great family fundraising events to support our pledge to donate a total of £500,000 to the children's charity Barnardo's. Working with around 43,000 children

and their families in the UK, Barnardo's tackles such urgent issues as poverty, homelessness, abuse and the many problems faced by young people leaving care. We are delighted to help such a worthwhile cause.

Important information

Insurance cover

Travelling either abroad or in Britain can become distressing if problems occur. Most people automatically take insurance if going abroad.

We strongly recommend that similar insurance be purchased when taking a break in Britain.

Butlins offers this special scheme for guests through the Travellers' Insurance Association Limited, Bridge House, 102 George Street, Croydon, Surrey CR9 6HD

(a subsidiary of Commercial Union Assurance Company plc)

Please note: if you choose not to take out an insurance policy, you do so at your own risk.

Cost per adult £10

Cost per child £5 (under 15 years)

Inclusive of Insurance Premium Tax.

Insurance cover – per insured person

Personal possessions

Up to £1000 (single article, pair or set limit £200 and a valuables limit of £200 in total).

Personal money

Up to £100.

Expenses following injury or illness

Up to £400 for additional transport and accommodation costs.

Cancellation or curtailment charges

Up to the final invoiced cost of the journey excluding the insurance premium.

Personal accident

Up to £10,000.

Personal liability

Up to £1,000,000.

Excess

Please note that you are responsible for excess payments which would then be deducted from the final claim payable by the Insurance Company.

Details of the policy, its terms and conditions and exceptions, will be sent with your confirmation of booking but are available earlier upon request.

The cover above is the recommended minimum insurance cover.

Travel insurance – important notes

Under the Association of British Insurers General Business Code of Practice, the person selling the travel insurance must draw your attention to important features of your policy including:

Policy document

You should read the document carefully. It gives you full details of what is and is not covered and the conditions of the cover. Cover will vary from policy to policy and insurer to insurer.

Health

Your policy contains restrictions regarding pre-existing medical problems concerning the health of the people travelling and of other people upon whose health the trip may depend. You are advised to read your policy carefully.

Conditions, exclusions and exceptions

Conditions and exclusions will apply to individual sections of your policy while general exclusions, conditions and warranties will apply to the whole of your policy.

Dangerous sports or pastimes

If you are going to take part in dangerous sports or pastimes where there is a high risk of injury, check that your policy covers you.

Property claims

These claims are paid based on the value of the goods at the time you lose them and not on a 'new for old' or replacement cost basis, unless otherwise stated in your policy.

Date recognition failure

Your policy may contain exclusions for losses arising from the failure of equipment or any computer programme to correctly recognise the calendar date, for example: the change to the year 2000.

Policy limits

Most sections of your policy have limits on the amount the insurer will pay under that section. Some sections also include other specific limits, for example: for any single article, pair or set or for valuables in total. You are advised to check your policy if you intend taking expensive items with you.

Policy excesses

Under most sections of the policy, claims will be subject to an excess. This means that you will be responsible for paying the first part of the claim. The amount you have to pay is the excess.

Reasonable care

You need to take all reasonable care to protect yourself and your property.

Complaints

Your insurance policy will have in it a complaints procedure which tells you what steps you can take if you wish to make a complaint.

'Cooling off' period

Your policy contains a 'cooling off' period during which you can return the policy and get a refund if you have a justifiable reason for being dissatisfied with the cover it provides.

Your policy is governed by the laws of England and Wales. Any legal disputes will be dealt with in an English Court. Your travel agent or insurance documentation will identify your insurer. If you would like more information, you should ask your travel agent, particularly if you feel the insurance may not meet your needs.

Please make sure you read your policy carefully.

Butlins breakdown insurance

This insurance scheme, costing only £10 per vehicle inclusive of Insurance Premium Tax, has been designed to protect your pocket from those costs which can quickly mount up following a car breakdown.

You make your own arrangements for assistance following a breakdown, accident, fire or theft which leaves your vehicle immobile and the Underwriters will then reimburse you under either section a or b.

- Emergency labour charges** – of up to £200 to repair your vehicle immediately OR
 - Where the vehicle is unusable for more than 24 hours following a breakdown or illness of the sole available driver, the following expenses can be claimed:
 - Recovery costs** – to a local garage.
 - Car hire** – or alternative driver (if the sole available driver is ill) of up to £60 per day (maximum £700) or standard class rail/coach fares to reach your destination and to return home.
 - Emergency hotel accommodation** – of £35 per person per night.
 - Vehicle recovery costs** – to home.
 - Vehicle collection costs** – after your break has ended where repair is delayed.
- Maximum claim: £2,500 per car

Eligible vehicles

Your car must be less than 15 years old, in a roadworthy condition and regularly serviced (by yourself or a garage). Minibuses and vehicles with more than 7 seats cannot be covered by this scheme.

Main exclusions

Breakdowns due to lack of petrol, water or frost damage. The cost of spare parts.

A full description of the cover will be sent to you with your confirmation of booking.

During your break

Minor alterations such as the withdrawal of certain amenities, facilities, activities and entertainment may be made by Butlins for reasons beyond its control without any obligation or liability.

Accommodation

Accommodation, decor, size and layout may vary from one Resort to another. The pictures and layouts featured within this brochure are a typical representation (please note not all accommodation is identical to the example layouts shown in the brochure). Please note that not all accommodation is at ground level.

Arrival and departure times

Accommodation will be available from 4.00pm on the stated day of arrival. Fully paid accommodation will be held until 8.00am on the following day and part-paid or unpaid accommodation will only be held until 10.00pm on the planned arrival date unless prior arrangements have been made with Butlins.

Accommodation must be vacated by 10.00am on the stated day of departure. Guests should leave the Resort by 12.00 noon on the day of departure.

Behaviour

Please show consideration to other guests and staff at all times and treat the facilities with respect. Offensive or illegal behaviour will not be tolerated.

If guests fail to comply with these rules, their contract may be terminated and they and their party will be asked to leave the Resort immediately (refunds will not be given). Contracts will also be terminated if Butlins has a reasonable suspicion that any guest has committed, or intends to commit, an offence.

Children's services

Children aged under 8 years may not be left alone without full adult supervision. All services/facilities for children over 5 years are not child care facilities. Whilst every care is taken, children remain the responsibility of their parents at all times (as they do in all our facilities listed in this brochure).

Competitions

Applicants must have booked for at least a 3 night break to qualify for entry to Butlins' competitions. These competitions are not open to employees of Butlins.

If you have a comment

If you are dissatisfied with any aspect of your break, please speak to the guest services team at your Resort. In most cases they will be able to help you immediately so that you can enjoy the rest of your stay. However, if you are still not satisfied, we request that you then make an appointment to see the relevant manager and record your complaint with them. If, at the end of your break, you feel that we have not dealt with your complaint satisfactorily, please write to the General Manager at the Resort no later than 21 days after the end of your break. We are only able to take action on any complaints which are first brought to the attention of the guest services team whilst you are on your break and secondly received in writing within 21 days, unless there are exceptional circumstances. It is necessary for Butlins to impose these limitations so that we have the opportunity to solve the problems experienced.

Damage to our property

Please treat your accommodation with care and respect. You will be held responsible for any damage caused during your stay. On departure, please leave the accommodation in a clean and tidy condition. We reserve the right to charge you for any loss or damage to our property during or after your stay.

Electrical appliances

Guests are advised not to bring privately owned electrical appliances to any Resort. However, if guests do so, they use the equipment at their own risk.

Health and safety

For the safety and wellbeing of our guests, not all facilities are available to everyone. In Splash, all non-swimmers under 14 years and children aged 8 years and under must be accompanied by an adult. Only competent swimmers may use certain flume rides. Restrictions apply on certain funfair rides and other facilities. To meet certification requirements and maintain our ongoing improvement policy, all our funfair rides are regularly inspected and maintained by specialist engineers and they may be closed at certain times for this work to be carried out (please check with your chosen Resort). Should anyone be diagnosed as having an infectious or contagious disease, they will be asked to seek outside medical assistance and to leave the Resort.

Listed guests only

Only the guests listed on the confirmation of booking may occupy the accommodation. If any other person/persons are found in occupation, Butlins will terminate the contract, the guests and unauthorised persons will be asked to leave the Resort immediately (refunds will not be given).

Loss, damage or personal injury

Butlins accepts responsibility for those arrangements which are within our control, but we cannot accept liability for any injury, loss or damage suffered by you or any member of your party unless one of the following applies:

- There is wilful default by us, our employees or agents;
- Death or personal injury was caused by the negligence of Butlins, our employees or agents

For all claims (except death or personal injury) that arise from the non-performance or improper performance of terms in our contract, Butlins will pay compensation that is reasonable in all circumstances.

Necessary co-operation

Butlins reserves the right to require any guest to be interviewed by us, on Butlins premises, to enable us to look into instances of damage or nuisance to Butlins property or guests. Any person who refuses to comply, without a reasonable excuse, will be treated as having terminated their contract and they and their party will be asked to leave immediately (refunds will not be given).

Weather

The availability of some external facilities may be affected by weather conditions.

Terms and conditions of reservation

Our agreement with you

The contract

The contract takes effect when we receive your signed copy of the confirmation of booking, when you confirm and pay over the telephone with a debit or credit card or when your payment is received from the travel agent. The contract lasts until you and your party leave the Resort.

The contract binds you and all the members of your party including day visitors. It is your responsibility to ensure that all members of your party accept the terms of the contract set out in these terms and conditions of reservation and the provisions contained in the 'important information' sections. Failure to disclose all relevant information or comply with these terms may lead to termination of the contract and loss of the booking.

Your reservation

When you receive your confirmation of booking, please telephone our Administration Department if any of the details contained in it are incorrect.

With this confirmation will be statements of cover for your insurance, cancellation scheme and other relevant information. The deposit and insurance, if required, must be paid within 5 working days of making the booking otherwise the booking will automatically lapse. Payment of the balance must be made 8 weeks before the start of your break otherwise the booking will be regarded as cancelled and your deposit and insurance payment will be forfeited.

Late bookings

If payment is made at your Resort, only cash, debit and credit cards or cheques to the limit of accompanying bankers cards will be accepted.

Please note: balance reminders will not be sent.

Number of children

Butlins will not accept bookings for parties where there are more than six children (under 15 years) per adult. At least one adult must occupy each unit of accommodation.

Pricing

We guarantee that the price shown and agreed on your confirmation of booking for the accommodation, party size and insurance plus any supplements is the amount payable by you. Butlins will only amend prices where there is an increase in VAT or tax which applies to your break. Please note that all prices shown are inclusive of VAT at the rate of 17.5%.

Guests with special needs

If a member of your party has a disability, please call us on our Special Needs Helpline on ☎ 0870 242 1999 (calls charged at standard national rate), before you make your booking. Butlins is committed to providing a safe and enjoyable break for all our guests. To ensure that your break is as enjoyable as possible, if your party includes disabled people please ensure that an appropriate number of enablers accompany the party.

Butlins has a limited number of units which have been modified for disabled guests and the facilities available do vary. It is therefore advisable to check the suitability of our accommodation by calling our Special Needs Helpline. The Helpline will take details of the booking and send you a confirmation of booking to sign and return with the deposit to The Call Centre. The details required include:-

- The number of disabled people in your party and a brief description of any special requirements they have, plus

If you change your booking

If you wish to change your booking after you have paid your deposit, we will try to meet your request but there will be a £16 charge per booking for each amendment. Substantial changes such as change of Resort or date will be treated as a cancellation (see next section).

Any changes must be made at least 8 weeks before the start of your break by telephone to our Administration Department or in writing by the person who signed the booking form/confirmation of booking or their travel agent.

Where changes are sought to be made within 8 weeks of the start of the break it will be treated as a cancellation and be subject to cancellation charges as outlined in the next section.

If you cancel your booking

It may be necessary to cancel your break due to illness, accident or change of circumstances. If you have taken insurance, payments arising from the cancellation will be covered in most cases (see page 56 for details).

As soon as you know that you need to cancel, call the Administration Department on ☎ 0870 242 2002 (calls charged at standard national rate), or see your travel agent and confirm the cancellation in writing.

The letter must be signed (where possible) by the person who signed the booking form/confirmation of booking or their travel agent. Cancellation charges are calculated as follows from the date that your written instructions are received:-

- From time of booking up to 8 weeks before your break is due to start: loss of deposit and insurance premium.
- Between 3 and 8 weeks before the start of your break: 50% of the total cost plus insurance premium is forfeited.
- Less than 3 weeks before the start of your break: 100% of the total cost plus insurance premium is forfeited.

If you have not arrived by 8.00am on the morning after your break was due to commence or contacted the Resort concerned to confirm when you will arrive, we will assume that the break is cancelled and the total cost and the insurance premium will be retained.

If we change or cancel your booking

We try very hard not to have to change or cancel your break or make any alterations to your arrangements, but where it is absolutely necessary we will notify you or your travel agent as soon as possible.

Very exceptionally, this may arise as a result of the minimum number of bookings required for the break to take place not being achieved or, in our view, being unlikely to be achieved. In this case we will inform you of the cancellation as soon as possible and not later than 14 days before the scheduled start date.

the number of enablers and non-disabled members accompanying them.

- Details of the size and weight of any wheelchairs used. Please state if the wheelchair is motorised.
- Whether there are any medical requirements which cannot be provided by the members of your party. We will then be able to assess whether our on-site medical facilities will be able to meet your needs.
- Details of any special storage requirements for equipment or drugs, as storage space in some of our accommodation units may be limited.

Without these details it is not possible for us to guarantee that suitable accommodation will be available. In which case, regrettably, we will be unable to accept the booking. We should also point out that for safety reasons certain venues may not be accessible for guests using wheelchairs so please check when you book.

If we cancel your break or make a significant alteration such as changing the date of your arrival or departure, you then have the choice of either:

- a. accepting the alternative arrangements as notified to you;
- b. choosing another available break from us at the advertised price; or
- c. a full refund of any money you have paid.

In addition to the above, and provided it does not arise from circumstances amounting to force majeure*, we will also pay you the following compensation:-

- a. if after full payment, but more than 2 weeks before your intended departure date, a maximum of £20 per booking per full week break, or £10 per booking per short break; or
- b. if after full payment, but within 2 weeks of your intended departure date, a maximum of £40 per booking per full week break, or £20 per booking per short break.

*Force majeure means circumstances beyond our control including (but not limited to) industrial disputes, natural disasters, fire, technical problems, bad weather and acts of government.

Club membership

When you sign the booking form or confirmation of booking you are also applying for membership of the Butlins entertainment club which is a legal requirement in order to use certain facilities. The club is open to guests over the age of 18. The personal details given, including home address and age, must therefore be true and correct.

Travel options and offers

Full details and rates are available on page 41.

The charges for National Express coach travel and rail travel have been specially negotiated by Butlins. In nearly all cases they are cheaper than the standard fare bookable through National Express or The Association of Train Operating Companies.

Butlins cannot accept any liability for guests using these means of transport where breaks are delayed or missed as a result of strike, other forms of industrial action, cancellation or any other matters which affect coach or train schedules etc.

Funfair rides

Butlins actively works within the Health & Safety Executive's Code of Safe Practice HS (G) 175 Fairgrounds and Amusement Parks, which states that operators should 'take reasonably practicable measures to identify and exclude any individuals who cannot ride safely'. The code specifically includes persons who 'have a physical injury or other condition' which impairs their ability to use the ride safely. Ride attendants assess guests according to these recommendations. Unfortunately, this may present limitations to some disabled guests, those for example, who cannot brace or support themselves in the seating of a given ride.

As part of its ongoing improvement programme, Butlins is reviewing its provisions for disabled guests. Following consultation with Scope, the charity which works with people who have cerebral palsy, this review is being conducted in conjunction with The English Tourist Board. On completion of the review, Butlins hopes to offer even better facilities and services for its disabled guests.
